# HELPING HAND MINISTRY

Santarem, Brazil

## OUR HISTORY

Since 1982 the Helping Hand School has been meeting the mental, physical, and spiritual needs of children in Santarem, Brazil.

Just as it was established from the beginning, Dayspring Church of God continues to carry all administrative costs so that 100% of the monthly donations go directly to The Helping Hand School in Santarem, Brazil.

Through sponsorship you  
can be the difference to a  
child today!

## OUR SCHOOL

The school property houses a church, a school, and a director's home. The school has classrooms, a kitchen, restroom facilities, a computer lab, and a playground. We all have a desire to see the children in Santarem receive the best education possible.

## OUR VISION

We nurture child development in these three areas:

### *Mind*

To nurture their mind through teaching and developing their academic skills

### *Body*

To nurture their body through nutrition, hygiene, and activity/play

### *Soul*

To nurture their soul by teaching and showing them God's love
