

Dayspring Kids is the infant through fifth grade ministry for Dayspring Church of God. In engaging, age appropriate environments children have faith building experiences that teach God's word and encourage kids to love God and love others.

The Children's Pastor, Nursery Director, and an amazing volunteer staff are committed to helping kids develop a lifelong relationship with Christ.

Consider this - let God do something in you to change the world around you.

Dayspring Church conducts a background check on any staff member and volunteer that may work with your children.

When you arrive visit the Dayspring Kids Welcome Center. There you will proceed with the registration process.

Weekly Gatherings

 Sundays at 11:00AM, Worship Service
 Wednesdays at 7:00PM - 8:15PM

FAMILY

We want to create shared family experiences. Times when a family can come together and laugh, create a memory, learn, grow, worship, and celebrate. To accomplish this we have strategically put into place different types of environments: Family Sundays, Celebrating Life Events, Family Fun Nights, Family XP, and Parent Cue.

LITTLE KIDZONE

Little KidZone is a safe and fun environment for children who are infant–Prekindergarten. While in our care, children are introduced to God. They get their first impression of our heavenly Father and the wonder of His love for each one of us. Little KidZone takes place during Sunday and Wednesday Weekly Gatherings.

KIDZONE

KidZone is a ministry for children Kindergarten–5th grade. Kids develop a deeper faith, build strong friendships, and learn to make wise choices. KidZone takes place during Sunday Weekly Gatherings.

AWANA

Awana is a time for children to interact with friends and learn Bible truths and scripture. Awana takes place during Wednesday Weekly Gatherings.

WONDER WORKS

Wonder Works is for children who have special needs that require a unique pursuit of communicating and teaching. Our volunteer Buddies are available to care for and disciple children Sunday mornings during the Sunday Worship Service.

ZONE 45

Zone 45 is a ministry specifically designed for 4th & 5th grade students. We have monthly activities and events that provide opportunities for students to grow and mature in faith and friendship.

FAMILY MINISTRY

We want to create shared family experiences. Times when a family can come together and laugh, create a memory, learn, grow, worship, and celebrate. To accomplish this we have strategically put into place different types of environments: Family Sundays, Celebrating Life Events, Family Fun Nights, and Family XP.

FAMILY SUNDAYS

On Family Sundays kids attend and participate in the Adult Worship Service. It is very important for kids to witness their adult family members engage in worship. To see them singing praises to God, praying, giving their tithes and offerings, and actively listening to the speaker is a meaningful experience for kids.

FAMILY FUN NIGHTS

Family Fun Nights are a great time to come together and eat, relax, and play.

These evenings are typically a theme party such as game night, taco bar night, Disney Party, Movie Night, A Red Carpet Party.

FAMILY XP

A Family XP is designed to be an all-encompassing shared family experience. During a Family XP parents and kids will laugh, create a memory, learn, grow, worship, and celebrate.

CELEBRATING LIFE EVENTS

Baby Dedication

When a new child enters a family it is exciting. Dedicating a child acknowledges God's sovereignty not only over the child, but also the parents. During a dedication service parents present their child to God asking for grace and wisdom in raising their child. Parents also pray that their child might one day trust Jesus as their savior. Before the Sunday Dedication Service, parents attend an informative class that discusses the value of baby dedication and the particulars of what will take place during the dedication service.

Baptism

When a child accepts Jesus as their savior they can choose to be baptized. There is a baptism class that kids can attend anytime but must attend before their baptism service. This is an interactive session lead by the Children's Pastor. During this class we read Matthew's account of Jesus' baptism and kids discuss questions such as, What is baptism? Why should we be baptized? How are we baptized?

Promotion Sunday

Entering Preschool, beginning Kindergarten, and completing a grade is a milestone in a child's life that we want to celebrate. Promotion Sunday is the day we set aside to recognize the children's growth and accomplishments. The day begins in the adult worship service for Promotion Sunday ceremonies. After the ceremony, kids are dismissed to attend their classes where they have a celebration party, a preview day of their new classroom environment, and a send-off for our friends entering Student Ministry.

PARENT CUE

We want encourage and empower parents to be their best and to be faith leaders in their homes. Therefore we will provide a variety of helps to parents through Parent Cue: blogs, conference talks, conversation guides, etc.
